

VOLUNTEER WORKER HOLD HARMLESS AGREEMENT

Volunteer workers who donate time on a regular basis (Minimum of 10 hours per month) are covered by an Accident policy for any injuries which occur while doing volunteer work. This policy pays for any medical expenses not covered by their accident and health policy and has a maximum limit of \$3,000. This policy does not cover lost regular job wages as a result of injury or permanent disability resulting from an injury. The maximum death benefit is \$2,000. **THE VOLUNTEER'S ACCIDENT POLICY DOES NOT APPLY TO CONSTRUCTION, BUILDING OR RENOVATION PROJECTS.** These activities are specifically excluded from coverage. While performing construction type activities, there is no coverage for medical bills related to injury caused by accidents on the construction project, lost regular job wages as a result of injury, permanent disability resulting from injury or widow/widower or family compensation benefits as a result of injury or death.

VOLUNTEERS ARE NOT COVERED BY A WORKERS' COMPENSATION POLICY AT ANY TIME.

I HAVE CAREFULLY REVIEWED THE INFORMATION ABOVE. I AGREE TO HOLD HARMLESS AND NOT TO SUE OUR LADY OF FATIMA AND THE ARCHDIOCESE OF DENVER FOR ANY CLAIMS FOR MEDICAL EXPENSES, LOST WAGES, PERMANENT DISABILITY COSTS, INJURY OR DEATH BENEFITS AS A RESULT OF ACCIDENT OR INJURY WHILE PERFORMING VOLUNTEER WORK ACTIVITIES. I ACCEPT FULL RESPONSIBILITY FOR ANY MEDICAL EXPENSES THAT MIGHT ARISE AS A RESULT OF INJURY SUSTAINED WHILE PERFORMING CONSTRUCTION TYPE ACTIVITIES.
